

"I am my child's first and most important teacher. Besides parenting, I've also grown in many other ways. I've learned to listen to what people have to say and respond in a proper way. I've learned to have better self-control. I've learned to not respond with impulse. Julie's Family Learning Program is one of the best things I've done with my life. Every day, I grow and learn a little more thanks to the women at Julie's. I'm blessed there's a program like this for struggling mothers like myself. I'm thankful I'm becoming a better mother and person." B., current Julie's participant

Fall 2016 at Julie's!

Back to School!

Thank you to Corpus Christi/St. Bernard Parish in Newton and St. Ignatius Parish in Chestnut Hill for once again sponsoring our families' school supplies! We are grateful for this important support!

Annual Apple Picking Trip!

We look to narrow the achievement/experience gap for children at Julie's by encouraging mothers to be their child's first and best teacher!

For some of our participants, both mothers and children, this is their first trip to a farm.

Thank you to St. Ignatius Parish in Chestnut Hill for their contributions to make this trip possible.

Thank You!

Thanks to Sandy Sidoti of Bringing Up Baby in South Boston for donating NEW children's clothing and shoes for our families. New clothes are a luxury for our families and we are grateful for her support for the past few years!
